

The Annual Appeal

30 Years of Compassionate Care

HOW DO WE **KNOW** OLD COLONY HOSPICE PROVIDES THE FINEST IN HIGH QUALITY CARE?
Family satisfaction surveys prove it!

- ❖ Our staff is proud of the solid reputation for providing advanced clinical care to meet our patients' needs.
- ❖ Our nurses are experts in pain and symptom management, which is essential to patients as well as their families.
- ❖ Old Colony Hospice helps patients with terminal disease spend their final months in their own home and in skilled nursing facilities in comfort — living life on their own terms. Each year, more and more families rely on help. As the need for our caring service grows, the necessity for financial assistance via the Annual Appeal becomes even more critical.

OUR MISSION is to provide compassionate assistance to individuals with advanced disease and their loved ones, maintaining their dignity and quality of life.

The 2010 Annual Appeal is vital as we focus on a tradition of comfort, compassion, serving the terminally ill since 1979.
